We are hosting a Kindergarten Meet the Teacher Event!

We are very excited to announce that we will be hosting our second annual Kindergarten Open House during the first week of September. Please join us for a fun filled “meet and greet” where you can see your child’s classroom and meet your child’s teacher. This brief event will allow your child to become familiar with their Kindergarten classroom, bring in their school supplies in advance, and clear up some questions you may have before the first day of school.

The official date will be mailed to you in August when you receive your child’s class placement for Kindergarten.

We look forward to seeing you then! 😊
